

Sherrill O'Shaughnessy of
THE ACADEMIC INSTITUTE, INC.

How To Help Your Child Succeed In School (and still have a life of your own!)

DATE INDIVIDUALLY ASSIGNED.....
JUST EMAIL ME FOR AN APPOINTMENT.
jennifer@academicinstitute.com

YOU WILL LEAVE THIS PRACTICAL WORKSHOP WITH...

- A system proven to eliminate homework hassles
- Tips for emancipating your teen
- A 3-step technique designed to increase both your teen's interest in college and awareness of their own strengths, talents and gifts
- A unique money management strategy designed to improve your child's time-management skills
- A list of resources you can access for further assistance
- A sense of hope to help you through these challenging teen years

Sherrill O'Shaughnessy, Executive Director of The Academic Institute, Inc., has for the past 20 years spoken both locally to schools and parent groups and nationally at educational conferences on the topics of student self-advocacy and preparing students for a successful transition from middle and high school to college. She has spent 25 years advising and coaching students and their families. Sherrill is also well respected for her work as an educator and consultant for students with learning disabilities.
